Dear Sirs

I have a large selection
of old coins both in copper and
silver which I believe to be very
valuable ranging from 1793 to the
present time. Will you please send
price list of premiums?

Probably you would make me
an offer for some of the most
valuable ones. Please let me hear.

Yours and oblige

Yours very truly

Dear Sir

Yours of the 24" I've read
and noted. I have so many
coins that it would be very
difficult to mail. I send
you today a partial list of
impressions of the coppers all
in good condition. Make
me an offer on these and
the half cunts and I will
send you a complete list
of the silver. It will take
a long time to take all these
impressions as I found out
by taking the enclosed,
I have them all in sets, since

half ounce, three cent silver pieces
quarters, halves & Dimes

although there are several dates
missing - An early reply
will oblige

Yours Respectfully
G. Gorisse

I have a complete set of the coppers from 1793 to 57
Also the half pences — These are all in good
condition

Make me an offer in the coppers & half
cents and I will consider the second

I have a number
of foreign pieces
Spanish French English

Handwritten text, likely a title or address, possibly including "Monsieur le Comte de..." and "Paris".
